UTILITIES BOARD

IN RE:  iLOKA, INC., d/b/a MICROTECH-TEL	DOCKET NOS. TCU-02-12 TF-02-570
	CERTIFICATE NO. 0263

**CERTIFICATE**

(Issued January 31, 2003)

On October 28, 2002, the Utilities Board (Board) issued an order granting an application for a certificate of public convenience and necessity, pursuant to Iowa Code § 476.29, to iLOKA, Inc., d/b/a Microtech-tel (Microtech-tel). In the order, the Board stated that Microtech-tel would be issued a certificate when it had given notice to all affected local exchange carriers and had an approved tariff on file with the Board.

On December 19, 2002, Microtech-tel filed a proposed local exchange tariff; revisions to the tariff were filed on January 23, 2003, and January 27, 2003. The proposed tariff and its revisions are identified as Docket No. TF-02-570 and contain the terms, conditions, and rates for Microtech-tel's local exchange service. An order approving the proposed tariff and its revisions and issuing a certificate is being issued concurrently with this certificate. Since Microtech-tel will have an approved tariff to

provide local exchange service, the Board will issue Certificate No. 0263, authorizing Microtech-tel to provide local exchange service in the listed exchanges.

**IT IS THEREFORE ORDERED:**

This certificate of public convenience and necessity, issued pursuant to Iowa Code § 476.29(1) (2003), authorizes iLOKA, Inc., d/b/a Microtech-tel, to furnish local telephone service in the exchanges as shown by its tariffs as currently and subsequently approved.
